PROFESSIONAL EXPERIENCE

Mid-Level Web & Application Developer

Apr 2023 - Present

TMJP BPO Services, Inc.

Build and maintain enterprise web applications using React, JavaScript, PHP, and MySQL. Contribute reusable features, REST services, debugging, maintenance, and application support. For QuickCRM work, prepare design documents, implement screens, produce unit-test files and evidence, and prepare completed work through the team's delivery tool.

Junior Web Developer

Jul 2021 - May 2023

TMJP BPO Services, Inc.

Developed workflow-based applications with intra-mart, including validated forms, business rules, REST integrations, SQL-backed processes, and production issue resolution.

IT Staff

Nov 2020 - Jul 2021

Jugro Transport Int'l Phils Corp

Supported company systems, devices, and users by diagnosing hardware and software issues and helping maintain reliable daily operations.

EARLIER EXPERIENCE

Junior Web Developer, Bricksoft Web Development (2020)

Web Development Intern, Yangwha Global Pty Ltd (2019)

Desktop Support Intern, Tonasket Inc. (2017)

EDUCATION & DEVELOPMENT

Bachelor of Science in Computer Science - Taguig City University

Java Programming - TESDA NC III training
